

SABER ADVANCED

CHANGEABLE

- MIL-PRF-32432
- STANAG 2920/4296
- ANSI Z.87
- EN166F

SABER ADVANCED is the model that helped establish Wiley X, as a pioneer in protective eyewear. Here, you get functionality and durability in a semi-rimless frame design, with adjustable telescoping temples, ensuring complete protection of your eyes. Depending on your activity, you can choose to use either the temples or the SABER ADVANCED Elasti-

tic Strap, and combined with the 360° wire-core nosepiece, adaptable to all nose sizes and shapes, you are, no matter the choice, always ensured comfort. It is NVG compatible, and is available in one, two, and three-lens kits, making sure that you with SABER ADVANCED never have to settle for average.
